- Clarke, Dr. Moses. Case of poisoning by oxalic acid, 23
- Cleindinen, Dr. W. A. Medical matters in Kentucky, 465; medicine and surgery in Cincinnati, 523
- Clergymen, medical fees from, 410, 466, 510, 513; and physicians, relations between, 513
- Clough, Dr. John. Remedy for costiveness, 331
- Cod-liver oil, manufacture of, 44
- Coffee, injury from use of, 350
- Colburn, Dr. G. F. J. Effects of acids on the teeth, 95
- Cole's (Dr. L. B.) Philosophy of health, 26
- Colleges in New England, their neglect of the medical profession, 69
- Collins, Dr. G. L. Dislocation of the cervical vertebrae, 473
- Commission, sanitary, in England, 442, 467
- Comstock, Dr. Jos. Fracture of the vertebrae, 340
- Connecticut, Medical Society of, 311, 420
- Constipation, remarkable case of, 285
- Controversy, medical, 330
- Contusions, treated by M. Velpeau, 30
- Cooper's (Mr. C. C.) dissertation on light, Corodeter, the, 406
- caloric and electricity, 145
- Costiveness, remedy for, 331
- Cotton-plant, decoction of, 47
- Croup, membranous, nitrate of silver in, 94
- Courtesy, literary and professional, 423
- Culture, medical, 246
- Cyanosis, case of, 363
- Dandelion, extract of, 447, 468
- Dead, burial of the, 350, 468
- Dentists, and dentistry, 201; increase of in Boston, 529
- Diabetes mellitus, pathology of, 56, 283, 365, 402
- Dictionary, medical, new, 63
- Disinfecting fluid, LeDoyen's, 469, 471, 490
- Dislocation, of the cervical vertebrae, 405, 473; of the shoulder, 482
- Drainage, public, in England, 442
- Draper's (Dr. J. W.) Introductory Lecture, 165
- Drugs, adulterated, importation of, 488, 510
- Dubois, Dr. J. E. Case of hydrocephalus, with spina bifida, 313
- Dublin Dissector, the, 26, 47
- Dyspepsia, Dr. Dick on the treatment of, 89, 159, 493
- Eclectic Medical Convention, 510
- Effusions of blood, 29
- Egypt, ancient, records of death in, 67
- Eldredge, Dr. J. H. Case of complicated labor, 21
- Empiricism in Boston, 305
- England, medical competition in, 226
- Enteritis, opium in, 216
- Epidemic influence, remarks on, 433, 461, 475
- Epilepsy, caused by blow on the head, 361, 377, 378
- Erysipelas, treated by Velpeau, 77
- Ether, sulphuric, in cases of labor, by Dr. Putnam, 9; Smilie's improved instrument for inhaling, 26; in Philadelphia, 60; Dr. Bigelow's remarks on, 101; the Mass. General Hospital Report, 106; queries respecting the use of, 183; use of in midwifery, 198; Dr. Castle's remarks on, 219; answer to queries, 223; Dr. Bigelow's compendium of its history, uses, &c. 229, 254; discovery of, 290; chemical constitution of, 290; Dr. Horace Wells's claims as discoverer, 322, 330; use of in neuralgia, 345; diuretic effects of, 346; Dr. Channing's work on etherization in childbirth, 348, 366; defence of Dr. Jackson's claims, 389; Dr. Dr. Morton's claims, 429, 469; use of by Dr. Shipman, 482
- Extractum taraxaci, 44
- Eye, the nervous system of the, 169, 189, 209, 280; diseases of, produced by impure air, 289; new instruments for, 368, 406
- Famine and fever in Europe, 291
- Fees, honorable, 490; from clergymen, 410, 466, 510, 513

- Fever, officers and surgeons, rewards to, 28; mortality from, among medical practitioners in Ireland, 207
- Fevers, summer and autumnal, of the Connecticut river valley, 129
- Fibrin, on the nature of, 89
- Fisher, Dr. F. W. Summary of Prof. Velpeau's last surgical report, 29, 49, 76, 97
- Flatulence, of stomach and bowels, 90
- Florida, sanitary retreat in, 218, 273, 382, 391, 423, 450
- Food, the chemistry of, 389
- Fracture, of the vertebrae, 340, 499; of the skull, 354, 375; of right parietal bone, 373; of the cranium, 378, 379; treatment of in Paris, 414; of the patella, 427
- France, medical elections in, 371; medical men in the Assembly, 470; deterioration of population in, 532
- Fuller, Dr. S., biographical sketch of, 109
- Galvanic rings, 409
- Gardner's (Dr. D. P.) new Medical Dictionary, 63
- Gastritis, nature and treatment of, 159; acute, 161
- German, in dyspepsia, 493
- Gibbon's (Dr.) Valedictory, 329
- Gin, as a remedial agent, 493
- Ginseng, virtues of, 494
- Gold, medicinal use of, 494
- Gout, nature and treatment of, 494
- Green, Dr. H. and his practice, 503
- Greene, Dr. C. A. Remarkable case of constipation, 285
- Gregory's (Mr. S.) Lectures on Midwifery, 121
- Halsted's Journal, 430
- Hamamelis Virginiana, 347
- Hard's (Dr. N.) Introductory Lecture, 270
- Harris's (Dr. C. A.) Principles and Practice of Dental Surgery, 59
- Harris's (Dr. W.) Introductory Lecture, 349
- Head, cases of injury of the, 353, 373, 491
- Heart, palpitation of the, 350
- Hill, Dr. L. G. Dislocation of the cervical vertebrae, 405
- Hobbies, medical, 345
- Homœopathy, address on, by Dr. B. F. Joslin, 164; discourse by Dr. H. Miller, 269; in Russia, 390; queries respecting the 30th dilution, 410; American Institute of, 430; answer to queries, 431, 451, 470; present condition of, 525
- Hood's (Dr. J. W.) essay on diseases of females, 125
- Horae-flesh, sale of, 532
- Human existence, theory of, 348
- Hydrocephalus, treatment of, 81; with spina bifida, 313
- Hydropathy, and the Christian Examiner, 613; present condition of, 525; in a neighboring State, 530
- Hydrophobia and its treatment, 521
- Hysterotomy, vaginal, 320
- Idiocy in Massachusetts, 188, 204
- Immorality, medical, 284
- India, American surgery in, 103
- Indiana, graduates in, 271
- Inebriates, pathology of the blood in, 344
- Infiltration, laws which govern, 29
- Ingalls's (Dr. W.) case of typhus, 429
- Instruments, surgical, new, 489
- Jackson, Dr. C. T., claims of, as discoverer of etherization, 349
- Jackson's (Dr. J. B. S.) Catalogue of Anatomical Museum, 118, 248
- Jaw, ankylosis of the, 398
- Jennings's (Dr. I.) Medical Reform, 85
- Journal, new, in France, 167
- Journal of Health and Practical Educator, 45
- Journals, medical, American, 530
- Kentucky, medical matters in, 465
- Kidney and rectum, diseased, 478
- King, Dr. A. P. Medical fees from clergymen, 510
- Knight, Dr. J. Aneurism treated by compression, 293
- Labor, complicated with crural presentation and uterine tumor, 21
- Larynx, can it be entered, 503
- Lathrop, Dr. S. P. Biographical sketch of the late Dr. J. A. Allen, 453
- Lecture, medical, by Dr. Williams, 314, 334
- Lecture terms, extension of, 371
- Lee's (Dr. C. A.) catalogue of medicinal plants, 105
- Leonard, Dr. J. P. Case of cyanosis, 363; on epidemic influence, 433, 461, 475
- Library, medical, directions for selecting, 299
- Light, caloric and electricity, 145
- Liston, the late Mr. Robert, 227
- Literature, medical, in the U. States, 224
- Lithotomy, operation of, 465, 521
- Littell's Living Age, 165
- London, mortality of, 290
- Longevity, influence of cold on, 369
- Louisiana, University of, 411
- Louisville, medical school of, 205, 466
- Lunatic asylums, in Boston, 64; at Worcester, 84; in New York, 108, 369; in Pennsylvania, 144; at Chicago, 206; in New Jersey, 388; American Association of Superintendents of, 323, 448
- Lunatics, the former condition of, 206
- Lungs, treatise on diseases of the, 489; puncturing the thorax in disease of the, 441; collapse of the right lung, 342
- Maine Medical School, 331
- Melformation, singular, 47
- Mansfield, Dr. J. D. Case of seminal emissions, 381

- March, Dr. A. Surgery and physiological discoveries in Paris, 413
- Marine Hospitals, remarks on, 237; appropriations for, 411; fund for support of, 146
- Massachusetts, Medical Society of, 24, 43, 246, 330, 367, 387, 401, 405, 407; births, marriages and deaths in, 45; Lunatic Hospital, 84; General Hospital report, 106, 124; Medical College, graduates, 187
- Mattison, Dr. M. Can the larynx be entered, 503
- Maynard, J. P. The new liquid adhesive plaster, 178, 243, 266, 326, 385, 424, 483

- Moral obligations of physicians, 424
- Mortality, bills of, 83
- Morton, Dr. W. T. G., present to, 469
- Mott, Dr. in Palermo, 292
- Mowe, Dr. D. Ayer's Cherry Pectoral, 491; his Cough Balsam, 511
- Mussey, Dr. R. D. Chloroform in surgical operations, 194; use of chloroform, 520
- Mutter's (Dr. T. D.) Introductory Lecture, 124
- Nævus, treatment of, 532
- Navy, U. S., medical officers of, 25; surgeons in the, 367
- New Hampshire Medical Society, 410
- New Jersey Medical Reporter, 64; Lunatic Asylum, 388
- New Orleans, yellow fever at, 87
- New York, Introductory Lecture in, 86; medicinal plants in, 105; State Medical Society, 126, 186, 531; College of Pharmacy, 206; Lying-in Asylum, 270; Academy of Medicine, 389; Thomsonism in, 410
- North, Dr. M. L. Chronic rheumatism at Saratoga Springs, 393, 417
- Northern invalids, winter resorts for, 273
- Nostrum trade, the, 73
- Notes, notices and notions, 365
- Nurses for the sick, 66
- Obstetrical cases, statistics of, 53
- Obstetrical Remembrancer, the, 65, 269
- Oenanthic acid, use of, 46
- Ohio, Medical Association in, 105
- Opium, fraudulent manufacture of, 328
- Optometer, Paine's, 45
- Orthopedic Institute, American, 363
- Oxalic acid, case of poisoning by, 23
- Paine, Prof. M. Contributions in physiology, 526
- Pancoast's (Dr. Jos.) Introductory Lecture, 289
- Pancreatic juice, functions of the, 415
- Paralysis, produced by arsenic, 207
- Paris, new hospital in, 147; medical elections in, 371; surgery and physiological discoveries in, 413
- Paupers, sick, treatment of, 291
- Peaslee's (Dr. E. R.) Lectures on Physiology, 35; Introductory Lecture, 289
- Penitentiary, Eastern, Medical Report, 309
- Pennsylvania Hospital for the Insane, 144
- Periodicals, medical, value of, 300
- Perkins's (Dr. J.) Introductory Lecture, 368
- Petrification, artificial, 206
- Phelps, Dr. C. A. Bite of the rattle snake, 93
- Philadelphia, Medical Society of, 127; medical schools of, 60; Association for medical instruction, 225; medical matters in, 247; salubrity of, 271
- Phlegmon, diffuse, 78; circumscribed, 97
- Photopsia, 194
- Phrenology, defence of, 106
- Physiology, contributions in, 526
- Pills, patent, fraudulent sale of, 146
- Placenta, on retention of the, 18
- Plaster, liquid adhesive, new, 155, 166, 178, 184, 226, 240, 243, 247, 266, 303, 326, 385, 424, 471, 483, 508
- Poisoning, by oxalic acid, case of, 23; with sesquichloride of antimony, 292
- Poisons, sale of, 308
- Portraits of American physicians and surgeons, 288
- Potter, Dr. U. Statistics of obstetrical cases, 53
- Pray, Dr. T. J. W. Pathology of the blood in inebriates, 344
- Professional trickery and ingratitude, 509
- Prolapsus uteri, mechanical support in, 141
- Putnam, Dr. C. G. Etherization in labor, 9
- Quackery, abettors of, 201
- Radicalism in medicine, 446
- Rattlesnake, poisoning by the bite of, 65, 93
- Rectum and kidney, diseased, 478
- Rheumatism, chronic, cases at Saratoga Springs, 393, 417
- Rhode Island Medical Society, 469
- Rush Medical College, 107

- Sabin, Dr. H. L. Chloroform in convulsions of infants, 199
- Sanitary retreat in Florida, 218, 273, 382, 450; controversy respecting, 391, 423
- Sarsaparilla, syrup of, 104
- Seammell, Dr. L. L. The Massachusetts Medical Society, 401
- Seltzer aperient, Tarrant's, 205
- Seminal emissions, in a married man, 381
- Shattuck, Lemuel. Sanitary commission in England, 442
- Sherwin, Wm. Collapse of the right lung, 342
- Shipman, Dr. A. B. Cases of injury of the head, 353, 373, 491; dislocation of the shoulder, 482; fracture of the cervical vertebrae, 499; his Introductory Lecture, 270
- Shoes, metallic spring sole for, 225
- Shoulder, dislocation of, 482
- Smilie, Dr. E. R. Process of purifying chloroform, 86
- Spectacles, galvanic, 368
- Spectra, remarks on, 193
- Spermatorrhœa, treatise on, 105; case of, 381
- Spina bifida, with malformation, 313
- Spirit rations, effects in the British navy, 490
- Splints, and surgical co-apter, new, 124, 211
- Story, Dr. D. Summer and autumnal fevers of the Connecticut River valley, 129
- Strabismus, operation for, 466
- Stricture of the colon, case of, 249
- Strong, Dr. W. Typhus and dyspepsia, 380
- Study, medical, what it is, 40
- Surgery, Minor, Sargent's treatise on, 429
- Taste, partial obliteration of, 330
- Tea, injurious effects of, 350
- Teeth, effects of acids on the, 95
- Tenny, Dr. N., death of, 471
- Thayer, Dr. W. H. Medical immorality, 284
- Therapeutical Remembrancer, 308
- Thomsonism, second advent of in Boston, 123; in New York, 410
- Tobacco, Prof. Paine on the use of, 54; injurious effects of, 350
- Toolache, treatment of, 291
- Trachea, case of foreign body lodged in the, 195, 333
- Trusses, Foster's, 104
- Tumor, inguinal, fatal case of, 152
- Tumors, sanguine, 49
- Tyler, Dr. D. A. Aneurism treated by compression, 293
- Typhus or ship fever, post-mortem illustrations of, 12, 34; in New York, 66; with dyspepsia, 380
- Upham, Dr. J. Notes and illustrations of typhus or ship fever, 12, 34
- Vacancies for medical practice, 40
- Velpenau, Prof., last surgical report of, 29, 49, 76, 97
- Ventilation of passenger vessels, 163; of school houses, 330; of dwelling houses, 408
- Vermont, pioneer medicine in, 40
- Vertebrae, fracture of the, 340, 499; dislocation of cervical, 405, 473
- Veterinary medicine in Massachusetts, 126
- Veterinary Record, 468
- Vital statistics, 28
- Wallace, Dr. W. C. Physiology and pathology of the nervous system of the eye, 169, 189, 209, 280
- Ware's (Dr. John) discourses on medical education, 147
- Warren, Dr. Edward, on retention of the placenta, 18
- Webber, Dr. S. Epidemic intermittent catarrh, 149; case of stricture of the colon, 249
